- No Special Tools Needed
- Easy Innovative SmartLock™ Corners
- Flat-Pack for Safe & Easy Transportation

Virtually Maintenance Free

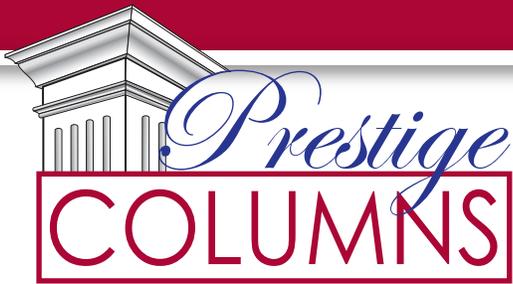

- Free-Foam Cellular PVC Construction
- Weather, Decay and Insect Resistant
- Paint Friendly with Acrylic Latex Paints

Smart & Beautiful

Prestige Columns™ feature beautiful, unblemished column panel faces. Each panel incorporates our innovative SmartLock™ Corner technology, resulting in a column that is assembled without the need for nails or screws marring the panel face.

The PREMIUM COLUMN SERIES™ reflects style of elegance that has been produced over the years for architects and builders as repeat custom profiles that have earned their place in the series. All premier columns come in 8" to 16" widths and 6' to 12' heights.
