# Brackets

With many styles to choose from or design your own!

Prestige Brackets™ come in 100's of styles and shapes that will add a timeless look of elegance and beauty to your home. If you don't see what you like, design your own and send us your drawing!

Prestige Brackets™ are designed as decorative, non-structural brackets but do offer the convenience of a being able to custom suit structural bracing required on site. When load is required it is advised that consumer deal with a metal fabrication supply shop that can provide load specific carriage that suit application and regional municipality compliance's.

## Soffit Panels – Vented or Solid with Smart Lock™ Technology

Prestige Soffit Panels™ are an improved soffit system that allows for maximum airflow. Our vented soffit has an 8/4 repeating pattern that provides 10 square inches of free air space per lineal foot. Our innovative nature allowed for another solution for a quick and easy installation.

Available:  
PAINT AND  
STAIN FINISHES
