Making a difference

Decor Innovations/Prestige Products is an Elite Dealer and Manufacturer of PVC Products

Manufacturing thousands of PVC Columns, Gables & Brackets Yearly

Fully Equipped PVC grinding and dust collection system.

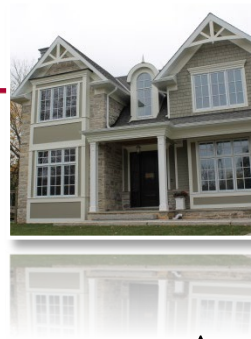

PVC RECYCLING PROGRAM

Versatex turns processed recycled material into new PVC products

Working with our partners and Contractors to collect PVC Scrap from the **Job Site**

108,000 lbs/year diverted from landfill and reprocessed

- **We are leaders in recycling efforts**
 - Partnering to return to the source
 - Converting our waste to new material
 - Our early efforts found us with multi page feature in magazines.
 - Each year our Reuse & Recycling program captures more opportunities
 - New sorting includes floor sweeping
