# Prestige COLUMNS

Innovative PVC Systems

**-FLEX-**

## Fast, Easy & Great Value!

Available in both tapered and non-tapered profiles, **Prestige FLEX Columns™** offers you the same great look but with an *even better price point*. Made from premium PVC, the SmartLock™ Corner system ensures true, well-defined corners, and a fast & easy installation while enhancing your homes exterior.

**Prestige FLEX Columns™** are decorative columns only and are NON-LOADBEARING. If the column needs to support any weight, a sufficient load-bearing structural post must be in place before installation begins.

### Available FLEX Column Profiles :

- PVC, Square Plain Tapered** 8"-12" for 4', 5' & 6' Heights
- PVC, Square Plain** 6", 8" & 10" for 6', 8' & 10' Heights
- PVC, Square Recessed**, 6", 8" & 10" for 6', 8' & 10' Heights

**SmartLock Technology**
