

# Shutters

**Prestige Products** combine a beautiful classic look and wide variety of styles with the virtually maintenance free cellular PVC which is weather, decay and insect resistant.

**Prestige Shutters** are available in three style categories to best accommodate our customers needs.

The **FLEX COLLECTION**, flexible in stock system, ready when you are!

The **DECOR COLLECTION**, at a lower cost than the Distinctive Collection shows a beautiful traditional profile but is manufactured using a single PVC sheet with the profile engraved directly to the surface. Custom Sizing to 1/8" width and height.

The **DISTINCTIVE COLLECTION** is made with true traditional rail and stile construction creating a strong, durable shutter to enjoy for years to come. Custom Sizing to 1/8" width and height.

# Historical

## All good things.....

Nothing is quite as good as a building with a historic pedigree, but what to do when time has worn out your wooden trim and decorations?

Prestige Products can expertly reproduce your historic trims, brackets, columns and gables. Our finished products look like they have always been there, while offering unrivalled durability.
